

Grief Support Resource

Supplemental Implementation Guide

1. When referring families and social networks for Grief Support meetings, we have developed a “lukewarm handoff” method with the organization The Sun Will Rise.
2. The Sun Will Rise will connect with the family in 24-36 hours to assist them with finding a local or virtual meeting that meets their needs.
3. While with the family, scan the QR code on the right or navigate on your phone to this link:
<http://www.thesunwillrise.org/grief-group-pre-registration>
4. Assist the family in filling out the form
5. The final line of the form reads: “If you are completing this on behalf of a bereaved person, what is your name and organization or input code?”
6. Please write “POST-[AGENCY]” in the line so that we can track referrals and so that The Sun Will Rise knows where the referrals are coming from.
